

Rural hotel in an olive grove

A magnificent manor house, dating from the 15th Century, with 75 hectares of land in the middle of the Tramuntana mountain range, offers a festive setting for your special day. The house is now a magnificent 4**** rural hotel with modern comforts in an ambience of Majorcan generosity and elegance. The ceremony is by the pool, which is surrounded by olive groves, and the dinner can be in a room with floor to ceiling windows. A sophisticated atmosphere!
